WHO WE ARE

Nor-Cal Glass is a family-owned and operated commercial glazing subcontractor based in Ione, serving Northern and Central California. We have operated as Nor-Cal Glass since 2005, and our team has also supported projects in Rhode Island, Florida, Chicago and the Mall of America in Minneapolis.

> ***Our mission:*** *Deliver the right product for your project, on budget and on time, with premium products, expert installation and timelines built around your construction schedule.*

WHAT WE DO

- Aluminum storefront and entrance systems
- Curtain wall systems
- Commercial window systems
- Automatic and manual entrance doors
- Interior glass partitions and heavy glass doors
- Mirrors and shower enclosures

WHY GCS CHOOSE US

- Certified WBE / DBE / SBE for participation goals
- DIR-registered for public works and prevailing wage
- Union glaziers and our own Ione shop
- On-time submittals, shop drawings and installation
